Using Gift Aid means that for every 1 pound you give, the Inland Revenue gives us an extra 28p, helping your donation go further. (if the first £500.000 is donated as gift aid it means we get an extra £140.000 so it really makes a lot of difference!). If you are a higher rate taxpayer, you can claim the difference between the higher rate of tax at 40 per cent and the basic rate of tax at 22 per cent on the total value to the charity of your donation. If you do not pay tax, you should not use Gift Aid. Giving donations through Gift Aid costs you nothing but gives us much!

I would like tax to be reclaimed on my donation under the Gift Aid Scheme. I am a UK tax payer and pay an amount of income tax and/or capital gains tax at least equal to the tax that can be reclaimed on my donation. **Please tick.**
